

GREAT NORTHERN
UNIVERSITY

Class Auditing Policy

Great Northern University is pleased to give community members the opportunity to audit classes on campus. Auditors are expected to do the following:

- Come to class prepared (attendance is mandatory)
- Complete all assignments (except for major essays/projects)
- Respectfully engage in class discussion, while being considerate to other students
- Adhere to GNU's community guidelines while on campus
- Be respectful of the instructors, professors, faculty, staff, and other students

All class offerings are available based on overall enrollment and are subject to cancellations. The fee to audit a class is \$225 per class and is limited to one class per person per semester. This fee is nonrefundable, except if the class is cancelled by GNU due to low enrollment. Auditors are graded on a Pass/Fail basis and audited courses cannot be transferred toward a completion of a degree or certificate program.

Those wishing to audit a class may [sign up at our website](#).

Voucher Policy

Vouchers may only be used to audit a course, and not for undergraduate enrollment. Auditing a course regularly costs \$225; vouchers reduce the price to \$175. Vouchers are unique and may only be used once. Limit one person per voucher and one voucher per person. Vouchers are only eligible for the semester listed on the voucher.
